Saariselkä reception operates temporarily next to Restaurant Rakka and is open 24/7. Please note that lobby bar services are not available during this time.

Restaurant Rakka serves breakfast and buffet dinner with a limited number of seats. For this reason, dining times are staggered for both individual guests and groups. Please note that only a buffet dinner is available.

Other Services The TS sales office operates in temporary premises. R-kiosk is temporarily closed. Aurora Spa treatment area, as well as the spa and sauna facilities, are closed.

Construction Work and Possible Disturbances Renovation work is ongoing at the property and may cause occasional noise. Noise may occur mainly between 9:00 and 18:00, although on some days louder work may begin as early as 8:00. According to current estimates, noise-related work will continue throughout July and possibly into early August.

Outdoor Areas Renovation work is ongoing and may be visible in parts of the hotel yard and surrounding areas. We aim to schedule the most disruptive work to minimise any impact on your stay. Work in the area is expected to continue throughout the summer.
